Station Description

The station is located in the basement of the NEPTUNE Canada shore station at 2180 Mallory Drive, Port Alberni, BC. The station marker, a 0.5cm stainless steel bolt set in the concrete floor with epoxy, is located in storage room #014, 133cm from North wall, 80 cm from West wall. The electronics for the PBO strainmeter are located on the East wall. Access is through the rear loading dock in the emergency generator room. There are a few wide stairs just inside entrance. Established by GSC.
